Brief title

Thyroid renal function study

Condition

- Thyroid gland disorders
- Renal disorders (excl nephropathies)

Synonym

Kidney function in thyroid disease

Research involving

Human

Sponsors and support

Primary sponsor: Maasstadziekenhuis

Source(s) of monetary or material Support: Nefrologie/Interne Geneeskunde

Exclusion criteria

-

Study design

Design

Study type: Observational invasive

Intervention model: Other

Allocation: Non-randomized controlled trial

Masking: Open (masking not used)

Primary purpose: Diagnostic

Recruitment

NL
Recruitment status: Recruiting
Start date (anticipated): 17-11-2009
Enrollment: 30
Type: Actual

Ethics review

Approved WMO
Date: 30-07-2009
Application type: First submission
Review commission: TWOR: Toetsingscommissie Wetenschappelijk Onderzoek Rotterdam e.o. (Rotterdam)
